

On July 20th and 21st, 2009, the second partner meeting took place in Dresden, Germany. Representatives from the project's beneficiaries were present and took part in conversations regarding the planned pilot implementation of a PAYT scheme in Elefsina, as well as the methodology for the national studies.

The first PAYT workshop also took place on these dates. In the workshop, [TUD](#) presented successful examples of PAYT implementation and also elaborated on the various methods and financial schemes that can be applied. This workshop clarified specific issues on

[PAYT schemes](#)

to the partners.

Additionally, the participants went for an excursion in the surrounding area of the meeting place in Pirna. In the excursion, different PAYT settings were observed in action.
